

FOR IMMEDIATE RELEASE:

SRG COMPLETES ATLANTA HEADQUARTERS MOVE

New Office Space Will Accommodate Rapid Growth and Expanding Services

Atlanta, Georgia July 28, 2004 - Street Resource Group, Inc., (SRG), provider of the WLS Premier Warehouse Lending Platform, is pleased to announce the relocation of its primary technology and support headquarters in Atlanta. The new office address is 6160 Peachtree Dunwoody Road NE, Suite B-220, Atlanta, GA 30328. The new phone number is 770-390-3000.

"This move signifies another milestone in SRG's continued success. SRG continues its commitment towards accommodating rapid growth and expanded services with space for increased development, technical and customer support staff and training facilities." said SRG's president, Stanley M. Street. "Our new office will provide the resources needed to sustain our growth strategy and provide a more pleasant work space for our employees and a more comfortable facility for our clients."

The new office is located in the Dunwoody Springs Office Center and is conveniently located near the Concourse Landmark buildings and Perimeter Mall area of Atlanta at the intersection of I-285 and Georgia 400.

Driving Directions: From downtown Atlanta, take I-85 North to GA 400 North to Exit 5A - Dunwoody/Abernathy Road, the first exit outside of I-285. Continue right off of the exit ramp and turn right at the 1st light onto Peachtree Dunwoody Rd. Continue through three traffic lights and the office is on the right.

Rapid Transit Directions: From the convenient terminal inside the Hartsfield Atlanta International Airport, take the Northbound train to Station N-10 (Sandy Springs).

About Street Resource Group, Inc.

Founded in 1986, SRG has provided technology solutions in a variety of industries for the past eighteen years. In 1999, SRG made a strategic decision to focus solely on the warehouse lending industry with the goal of becoming the premier software platform of choice and an integral industry utility. SRG has built a solid reputation for providing superior software products and service levels, contributing its depth of expertise in both warehouse operations and information systems management, and supporting the growing needs for operational control, risk management, and information access in this dynamic industry. SRG's corporate office is located near Savannah, GA.
